In one of Malmö's most attractive areas, Limhamn, a whole new district is emerging.

Kv. Skotsteken 1 consists of a total of 169 apartments on 6 floors as well as an associated room and a garage throughout the whole property. The community is built around beautiful green areas with closeness to the sea and with walking distance to Limhamn center.

MAX FRANK has delivered 7,000 m2 of Zemseal® sub-structure waterproofing system for the project, which is expected to be completed in June 2020.
