**In one of Malmö's most attractive areas, Limhamn, a whole new district is emerging.**

Kv. Skotsteken 1 consists of a total of 169 apartments on 6 floors as well as an associated room and a garage throughout the whole property. The community is built around beautiful green areas with closeness to the sea and with walking distance to Limhamn center.

MAX FRANK has delivered 7,000 m<sup>2</sup> of Zemseal® sub-structure waterproofing system for the project, which is expected to be completed in June 2020.

**Type of building:**

Residential building

**Clients and Developers:**

MKB Fastighets AB

**Building contractor:**

Wästbygg AB

**Completion:**

2020
